On behalf of the 2021 Program Planning Committee, we are excited to invite you to the Virtual AMSSM 30th Annual Meeting from April 13-18, 2021. The planning for this meeting has been shaped by our collective experience in the past year, a year of parallel crises of the COVID-19 pandemic and racial injustice. Our 2021 meeting theme is “Come Together: Sports Medicine for Everybody,” a meeting theme that demonstrates our commitment to meeting together and our dual clinical missions of promoting exercise as medicine for all people and providing sports medicine care to all people. We are thrilled to bring you a fantastic line-up of speakers from around the country and around the world that will inspire, energize and educate. With this meeting we aim to bring you the up-to-the-moment and in-depth sports medicine knowledge that you need, as well as the collegiality and community-building that is generated by coming together as a membership.

Highlights of the 2021 meeting include:
- Presidential Keynote Speaker Billy Mills, an Oglala Lakota former track and field athlete who won the gold medal in the 10,000 meter run at the 1964 Tokyo Olympics and went on to co-found a nonprofit that focuses on diabetes prevention in Native American youth.
- Cindy J. Chang, MD, FAMSSM presenting the Hough Memorial Lecture on “What Essential Tools Are Needed to Become the Optimal Team Physician?”
- “What’s the Latest?” – a selection of sessions aimed to provide you the most up-to-date sports medicine knowledge and skills on topics including:
  - Arthritis
  - Concussion
