AMSSM CASE ABSTRACT SUBMISSION FORM

No pictures or slides need to be provided when submitting your abstract.

Cases of particular interest include controversial cases, common problems with uncommon presentation, uncommon problems with common presentation, or illustrative cases of common problems. The abstract should identify the history, physical exam and EXACTLY 5 DIFFERENTIAL DIAGNOSES. The abstract should outline the Tests & Results (Lab, X-ray, etc.), Final Diagnosis, Discussion as well as the Outcome of the Case including Return to Activity and Further Follow-up of the case to be discussed. Abstracts will receive a blind review. There are some helpful tips when writing, submitting and presenting your case abstract on the main abstract submission page. You will be notified of the acceptance/rejection of your abstract in February. If you have any questions, please contact the AMSSM National Office.
